Dear Ms. Pietinalho,

The German Association of Actuaries (DAV) wishes you and all members of Suomen Aktuaariyhdistys sincere congratulations on the 100th anniversary of your organization. Your remarkable growth within many decades is a time for true celebration. You have been able to establish your name successfully despite the big challenges throughout the years, even including the Covid-pandemic and the time of low interest rates in recent years.

Your success story is an inspiration for all actuarial associations around the globe. Undoubtedly, your persistence, passion, and hard work have contributed to your achievements. It is an honour for us to be associated with you and to cooperate on the CERA title and in the international umbrella organisations. We are looking forward to working with you in the international committees of AAE and IAA to meet the challenges facing our profession and to further expand the international exchange of actuaries.

Once again, congratulations on accomplishing an important milestone. The DAV wishes you the best of luck for your future. We look forward to a long professional and prospering relationship with the Suomen Aktuaariyhdistys.

Yours sincerely,

Dr. Herbert Schneidemann
President DAV

Dr. Wilhelm Schneemeier
Head of International Committee
